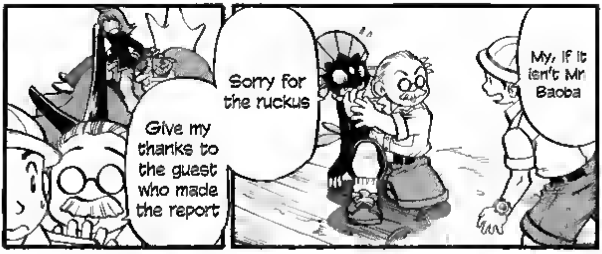
What are these plates!?
I'm not done yet
There are 16 plates total
Why are you collecting them?
What can they do?
A ranger? Shit ...!
Rule violation!! Removal from the premises!!
Someone reported that there's a big Pokemon battle going on!! Is it you guys!?
What will happen if you get a-...
HEY YYY YY!!!

Interro-gation!! Interro-gation!!
Come to the office with me!! You're going to tell me every-thing!!
Ah, you even demolished the bridge...!!
Don't mind this
We were just playing around
He's a long-time friend of mine



My, if it isn't Mr Baoba
Sorry for the ruckus
Give my thanks to the guest who made the report

What's going on!?
I'm sure that Weavile had Petrel in his claws!!

Thank goodness
Looks like I chased him away discreetly

When did the owner of the Safari Zone...!?

Hm

!!
It would you annoying if those kinds of people get involved
Wouldn't you

agree!?

...Dis-guise!!
This is my ability
and my ultimate skill

As long as I have these makeup tools, I just need a few seconds
I can have anyone's face
チャ
in a blink of an eye
チャ
チャ
even this face...
Of course I--
M-... Mr. Lance ...!!

From now, your friends and family
may actually be me in disguise
Hahahah, did I get you!? You should be careful!!
Do your best to be on your feet!!
Wait!!
See ya!

Like hell I'd wait!
I really want those plates back.
but I feel like I can't win when you're looking all serious at me like that
If you know what Mr. Lance looks like...
then that means that you've met...
Yeah
I fought him.
. And
I won ea~sily

"Air Cutter" !!!
He's gone...!?

Even though it isn't much, I still got information on the plates
But...
Ooh

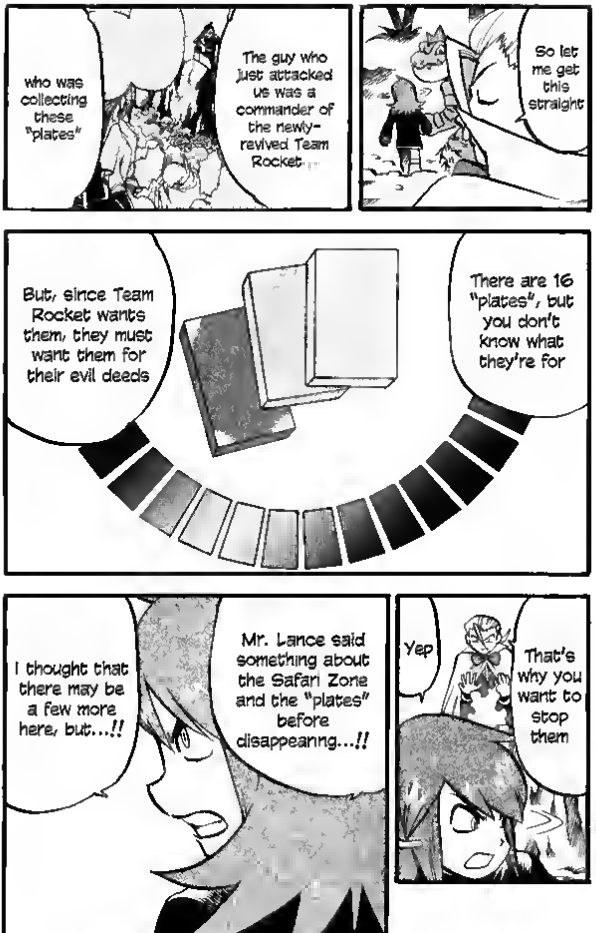
We're ...
AUTO
Chris!! Chris!?
here-ee!!

Okay! I get it!!
Hurry up! I gave you a ride because you said that you're gonna be late!!
I'm almost done going over the info
Wait, Mama!!
You can't be late!!
As their role model and as a professional Pokemon catcher, you should set an example
The kids from the Trainer House are waiting for you!
After all, it's a trip to the all-new Safari Zone!!
I had to change after wrapping up work!
I've still got an hour

I wear this when I'm teaching those kids about Pokemon
Wh-What's with these clothes...
Alright, let's get off
No no no no!! This is a fun trip!!
NO!!!
Okay! I'm Crystal, and I'll be enjoying this event with you today!! Call me "Pokemon Fan Chris"!!
H-e-l-l-o!!
I can't hear you~ One more time!
Hel-lo!!
Hello
Hey, I can't hear you!
Ok
Okay?
First, let's go over the rules of the Safari Zone!

O-Okay
Huh
You have to make yourself look fun first
Huh
That's what's gonna happen!
I'll dress you up in the eye-catchiest fashion that will capture the hearts of those kids!!
Okay! Lead this to Mama's coordination skills!
Huh !?
Really?
They don't make anyone feel excited!
Those clothes don't say "this is gonna be a fun trip" at all
So cute !!
Huh !?
Ah, this hat is perfect!!
Huh !?
Ah! Here it is. This looks prettee ♡
"Twis-cer"!!

"Brine" !!
Hah
Hah
"Aqua Tail" !!
BWA-CH-OO!!
Hah
Hah



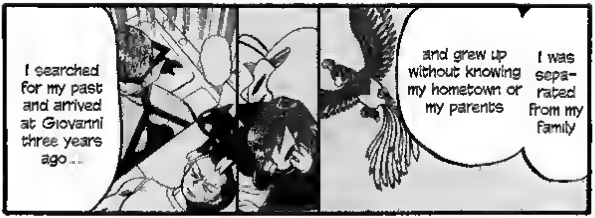
who was collecting these "plates"
The guy who just attacked us was a commander of the newly-revived Team Rocket...
So let me get this straight
But, since Team Rocket wants them, they must want them for their evil deeds
There are 16 "plates", but you don't know what they're for
I thought that there may be a few more here, but...!!
Mr. Lance said something about the Safari Zone and the "plates" before disappearing...!!
Yep
That's why you want to stop them

...
But it seems that they aren't so easy to find
Damn!
Hey, Silver, or whatever your name is
I understand what you're trying to do
But, is this something that you must do?
...I'm not doing this just for my sense of justice
I must be the one to fight Team Rocket
Why?
Since they're an evil organization that breaks the law, shouldn't you leave this to the police?

It's all because ...

The one who founded Team Rocket...
The one they call Boss Giovanni...
is my father!!

Wh-What!?
When I was an infant, I was kidnapped by a mysterious person called "Mask of Ice"



I searched for my past and arrived at Giovanni three years ago...
and grew up without knowing my hometown or my parents
I was separated from my family

That's true
But I don't care about that anymore
But... you never know...
So that's why... he looks slightly angry and sad whenever he hears "Team Rocket"
I've realized that... I might be the reason why Team Rocket was made...
From then on...

That's all
is putting my father's crimes to rest and not letting anyone else suffer like me anymore...
What's important now

だー
ぐすっ
ちゅん!
N-No, no!!
The Koffings are back ...!?
Silver!! Thanks for telling me about your rough past!!
N-No, I...
After listening to your story, I, Suicune hunter Eusine, will be at your service!! If you need anything, just tell me!!
You need someone to help you!
Humans can't live alone!

In exchange, if you ever happen across information about Suicune, then...
I know! If you're looking for the plates...
then I have a friend who's known as the "Mystic Seer of the Future"!!
I'll introduce you to him!! I'm sure that he'll be of help!!
..He doesn't seem to be a bad guy...
but I can't keep up with him...
Huh? It's a person!
It looked like a Pokemon
bait
!!
Oww !!!
How rude ...!!
Oh my, sorry

Hm!?
Huh?
We're sorry!!
Come on, apologize!!
Silver?
Is that you, Silver!?

Two plates were taken from us?
What?
Good grief... No matter how much I look, I can't find it
I have to find it as soon as I can
That has nothing to do with me. Tell Arianna
Just where could it be?
The Sinjoh Ruins
